FLORISTRY

The arranging and presentation of flowers is a true creative expression. Our nationally accredited Floristry course is led by Rosie with 25 plus years of Floristry experience. Our Floristry course will change your life and you will brighten up the lives of others with your creations.

FASHION & PHOTOGRAPHY MAKE-UP

Based on the Certificate II in Make-up Services this nationally accredited course will provide you with a range of make-up techniques and extensive retail skills. Completing this course will qualify you as a professional Makeup Artist and Retail Cosmetic Assistant

And relax - our assessments are innovative, fun and hands-on. Welcome to the world of Beauty!

QUALIFICATIONS IN RETAIL

The retail industry is one of the largest employers in Australia. From supermarkets, to department stores, speciality stores, fast food chains to a host of small businesses the retail industry is as diverse as it is large.

Our highly qualified and experienced trainers will guide you towards a nationally recognised qualification that will qualify you to work in the exciting retail sector.

All Certificate courses we deliver are recognised throughout Australia

ENGLISH PROFICIENCY

This course is ideal for new Australians, international students and people from non-English speaking backgrounds who need a higher level of English to enter college or university or for those seeking better employment opportunities.

English Proficiency IV is a nationally accredited course that will enhance your opportunities for further study, employment and in being able to successfully adjust to Australian society.

FUNCTIONS & DJ MASTER OF CEREMONIES

The Functions & DJ MC must ensure that the program runs smoothly. The course will skill you in: preparation, manner, poise, quick thinking, microphone technique, reading a crowd, ad-libbing & adding excitement to get the attention of the audience.

You will enhance your English ability, develop the confidence to speak in front of a crowd and gain employability skills.

This course is presented as both accredited (through V.E.T. In Schools) and as a non-accredited short course.

CENTRELINK BENEFITS

Students enrolling in our accredited courses may be eligible for Youth Allowance, ABSTUDY, Austudy Payment or Pensioner Education Supplement.
