

INTRO TO MC

(Functions & DJ Master of Ceremonies introductory short course
non-accredited short course and accredited full course)

The Functions & DJ Master of Ceremonies must ensure that the event runs smoothly and all important people or DJ's are introduced in a professional and seamless manner. MC's work at special occasions, events, corporate functions, private functions, in clubs and with professional DJ's.

A competent MC has skills in: preparation, the right approach and manner, poise, quick thinking, microphone technique, reading a crowd, ad-libbing & adding excitement to get the attention of the audience.

Enhance your English ability and gain confidence to speaking in front of others. Your confidence in talking, negotiating and interacting with others will soar. Your new confidence & poise will make you a standout.

Non-Accredited Intro Course Info

Intro to MC short course will introduce you to the role and basic skills of an MC. It focuses on approach and manner, quick thinking and poise, giving you the confidence to speak in front of others. It includes practice with a DJ. Students completing this course may choose to enrol in the accredited course in 2010.
